Example Services Agreement

1. Scope of Services

1.1 The Service Provider agrees to provide web development services to the Client, as outlined in Exhibit A.

1.2 The Client agrees to pay the Service Provider a fixed fee of $50,000 for the completion of the project.

2. Project Timeline

2.1 The project is expected to be completed within 6 months from the effective date of this agreement.

3. Confidentiality

3.1 Both parties agree to keep confidential any proprietary information shared during the course of the project.

Hidden Obligation: Change Requests

1.3 While the contract specifies the fixed fee for the project, it might not explicitly address the process and costs associated with client-requested changes to the project scope. The hidden obligation could involve additional charges for substantial modifications requested by the client.

Hidden Obligation: Delays and Extensions

2.2 Although the contract sets a completion timeframe, it may not address potential delays due to unforeseen circumstances. A hidden obligation could involve the client's responsibility to promptly provide necessary materials and feedback to avoid project delays.

Hidden Obligation: Return of Materials

3.2 The contract may lack clarity on the obligation to return or destroy confidential materials at the conclusion of the project. A hidden obligation could involve the client's responsibility to return or ensure the secure disposal of any proprietary information received.
